

# Workers! Brothers!

---

## YOU KNOW THESE THINGS:

That we are striking for decent wages and Union recognition.  
That the bosses forced us into this strike by breaking their pledge.  
That they rejected the Haas plan which the Union accepted.  
That the Citizens Alliance is out to smash us and all Unions.  
**THAT IN THE LAST THREE DAYS SCAB TRUCKS HAVE  
BEGUN TO MOVE UNDER THE PROTECTION OF THE  
MILITIA CALLED BY GOV. OLSON!**

**Local 574 is not going to tolerate  
the movement of scab trucks!**

**Are you going to stand idly by and see the State  
Militia help run scab trucks? Are you going to  
stand idly by and see the Citizens Alliance en-  
trench itself even more deeply in its despotic  
rule?**

**A vigorous protest against the activities of the Militia must be made at once.**  
Join us, workers, brothers, in a gigantic

# Mobilization Rally!

## Tonight at 8 o'clock

**ON THE KNOLL  
AT THE PARADE GROUNDS**

**Auspices: Strike Committee of 100; Local 574**
